

Government Internship Opportunity

The California State Board of Equalization

The Second District Office for Board of Equalization Member George Runner seeks student interns interested in learning about state government and policy.

Interns will perform regular office duties, along with other staff members, and work on specific projects related to taxpayer or legislative needs.

I am proud to provide students with a first hand look into the duties and obligations of the State Board of Equalization. This internship will greatly assist those interested in making a career in public service and enrich your professional network.

-George Runner, Board of Equalization Member
